

Sustainable Honeybee Program

Hygienic Queen Fund Raiser

Win a Tested Hygienic Queen in a 5-Frame Nuc

Sustainable Honeybee Program (SHP) is having a Fund Raising Event that will run from November 1st through March 31st, 2014, with the objective to raise funds for SHP operations and to add quality Queens to local club queen rearing activities.

Donations should be mailed to the address at bottom. Minimum donation amount to be counted towards the prizes is **\$15**.

There will be 2 prizes awarded, each prize being a Tested Hygienic Queen in a 5-frame nuc. The prizes will be awarded to Bee Clubs and/or Associations.

No individual winners.....Be sure to identify **your club** on each donation.

1st Prize goes to the Club or Association who **Members** contribute the combined largest **dollar amount** of donations.

2nd Prize goes to the Club or Association with the largest **number of individual contributions** from its members.

Nucs will be available for pick-up at SHP during April 2014.
